On Sunday 25th April I am running the London Marathon to raise money for Cancer Research UK. Over the last 9 year I have raised hundreds of pounds for Cancer Research, completing the race for life 9 times, walked up the Wrekin and organised many cake and car boot sales.

Since I was a child my ambition has been to complete the London Marathon and at the age of 40 I have been given this fantastic opportunity. But seeing a close member of my family (my cousin Melanie) suffering from this terrible disease has given me more strength and determination to complete this challenge and raise money for a worthy cause.
